AEON Scholarship Granting Ceremony 2020 will be held online

~We support the dream of students from Asia studying in Japan~

AEON 1% CLUB FOUNDATION holds AEON Scholarship Granting Ceremony 2020 online on Saturday, July 18th.

The AEON Scholarship is an allowance-based scholarship for university students in various Asian countries and self-financed Asian students studying in Japan as “Promotion of Friendship with Foreign Countries”, which is one of the main themes of the foundation. Other than providing tuition fees and living expense through the year, this program offers various study curriculums, such as leadership learning program, aimed at scholarship students studying in Japan. This program was started 2006 in the hope that recipients will play an active role in the future connecting their home countries with Japan. Including new recipients, the program has supported a total of 6,972 Asian students studying at 37 Universities in 7 countries, such as Japan, Cambodia, China, Indonesia, Myanmar, Thailand, and Viet Nam.

This year, as a countermeasure for COVID-19 infectious diseases, AEON Scholarship Granting Award Ceremony is changed to connecting new recipients and continued students online. Participants are 28 self-financed students of 14 Universities studying in Japan, and 30 continued students from last year. In addition, this is a valuable opportunity for students in order to think about their future through having an encouraging speech from Ambassadors and embassy representatives of each country, and 6 new scholarship students giving speeches on their personal dreams and goals.

The foundation will continue to support the students' further growth toward the future.
