AEON 1% Club Foundation

Donation of Emergency Relief Funds in Response to Southeast Turkey Earthquake

The AEON 1% Club Foundation offers our deepest condolences for those whose lives were lost in the earthquake that occurred in the early hours of February 6, 2023 in Southeast Turkey, and our heartfelt sympathies to their loved ones, and to all others affected by the earthquake.

On February 14, the Foundation will donate 10 million yen to the Embassy of the Republic of Turkey in Japan as emergency relief funds for people affected by the disaster.

The lives of many people are currently severely impacted by the large number of collapsed buildings in the disaster zone, the ongoing aftershocks, and the intense winter cold. The Foundation wishes to express our most sincere sympathies to all such people, as we pray from the bottom of our hearts that safety and stability will return to their lives as soon as possible.
